Bob Ross Fun-damentals Classes

Bob Ross Fun-damentals Classes are probably the best five days you'll ever spend! You'll paint beautiful Bob Ross Wet-on-Wet Technique® scenes with one of the best Bob Ross teachers in the world.

Bob Ross' mission was to make painting fun and rewarding for everyone. So whether you've painted before, or you've never touched a brush in your life, these classes will show you that you need only the desire and a few basic tools – ones that Bob Ross developed himself for his unusual method. At the end of five days, you'll go home with frame-ready paintings that you never dreamed possible. And the friends you make are for a lifetime.

Bob Ross Fun-damentals Classes are also the gateway to becoming a Bob Ross Certified Instructor if teaching is your passion.
